MISSION/VISION

"Our Mission is to have a Relevant word from God for a distressed and confused world"...

We strive to meet the needs of our membership by empowering them to experience a personal relationship with God. We recognize that this empowerment can only be accomplished through the power of the Holy Ghost; by studying God's word and by the believer acting upon the word of God.

We believe that evangelism within our community is essential for social change and spiritual growth. For it's through evangelism that the "Good News" of Jesus Christ brings change to the world. We also believe that once the unbeliever accepts God's truth, they are able to experience abundant life through Jesus Christ.

St. John 10:10 says; "The thief comes not, but for to steal, and kill, and destroy; I am come that they might have life, and that they might have it more abundantly".
